Paper Gator

What Is It? The PaperGator is a fundraiser in which Lincoln will be paid to collect paper products. All proceeds will go to Lincoln's Green Team. This team consists of 5th grade students who participate in a variety of environmental projects for Lincoln School!

Where does the paper go? The paper will be picked up every other week and taken to BPV Environmental in Byron Center, Michigan to be processed. The paper will be shredded and processed into hydro seeding mulch, lawn establishment products, lawn repair products, cat litter, dog litter, or small animal bedding.

What can go in the bin? Newsprint, catalogs, magazines, junk mail, phone books, office paper, school paper.

What can't go in the bin? Plastic, metal, trash, glass, cardboard.

We will receive \$37 for every full bin they pick up! Please help us fill our bin at least once every two weeks!

Biking for Students in Grades 3-5

Students in grades 3-5 will be participating in a biking unit. This unit will begin on October 5 and end on October 23.

Students may bring their own bikes and helmets. Bikes will need to be kept in the bike rack, so make sure that you also provide a lock for the bike!
