ProtectMiChild

Are your children safe while online? Michigan families, especially minors, are becoming inundated with advertisements from alcohol, tobacco, pornography and gambling marketers through different internet and cell phone inboxes. Texting their advertisements is the newest marketing effort that many of these companies are using. Thankfully, the State of Michigan offers a free program to stop adult advertisements from reaching e-mails, mobile phones (text messaging ads) and instant messenger IDs. The Michigan Child Protection Registry, like the federal Do Not Call List, is a free do-not-contact service for Michigan's families and schools and can be located at www.ProtectMiChild.com.

As a strong supporter of this registry, Zeeland Public Schools would like to encourage you to sign your entire family up for the registry and inform your friends and colleagues about how they can protect children and families from unwanted adult advertising. To sign up only takes seconds. Just go to www.ProtectMiChild.com and keep your family safe!

COMPUTER NEWS!

Lincoln students will be participating in the worldwide event of Hour of Code. This years tutorials are based on characters from Star Wars and Minecraft! Students will be exposed to several coding activities to try on their iPads and the computers; they can choose to work in partners or teams to solve problems with coding! Visit <https://code.org> to learn more or try it for yourself with your child at home!

THANK YOU!!

I would like to thank everyone for making the Fall Book Fair at Lincoln a success! By shopping at the Book Fair, you helped the school earn over \$2,000 to purchase new books and materials for the library from Scholastic.

I would also like to extend a special thanks to parent volunteers that made the Book Fair possible, without their help and support the Book Fair would not be possible.

I hope you are all enjoying your purchases!

Señora Darrow's
Spanish Summary #7

This week was so much fun! Students have taken a test on the first unit and have done fantastic! Before students took the test they reviewed the words on their iPads. The program I had them use is "Quizlet." They could play a memory game on Quizlet, and go through flash-cards on their iPads! The students will receive their graded test back after break.
