Lincoln Art News

Hello Lincoln Family!

We have been busy in the art room the last couple of months. We were invited to and participated in the Annual ZCH Art Show. The first place winners are pictured here from that show. The show is for 3rd -5th grade artists. Congratulations to the kids who were in this show.

We have an exciting opportunity for our 3rd grade artists coming up in April. I will write on that in March's newsletter. Also, our ZPS District Art Show will take place in April. More news to come!

Some fun things to do with the family locally would be to see the ice sculptures in downtown Grand Rapids and the Egyptian exhibit at the Grand Rapids Museum, Until next month,
Miss Butler
