Señora Darrow's Spanish Summary #15

This past week almost every grade finished their units; so, we are going to start new units this coming week! In kindergarten we are working on numbers through thirty, colors, calendar, feelings, shapes and weather. In first grade we will continue to practice colors, numbers, calendar, feelings, shapes and weather. They will also begin to learn "school vocabulary"! In second grade we have been doing house, school and family vocabulary. Now we will learn fruits and vegetables. In third grade we finished the "food" unit and we now will begin a unit on clothes and body parts. In fourth grade we are finishing the animal unit and will be starting a unit on sports and hobbies. In fifth grade we learned how to say our hobbies, likes, dislikes and we also started conjugating to prepare for Middle School Spanish. Soon they will be starting a unit on community, places and giving directions!

Pint Size Blood Drive

Tuesday, March 29
12 p.m. to 5:45 p.m.

Lincoln is hosting a Pint Size Hero Blood Drive! Our goal is to get 30-40 parents, grandparents, adults to contribute/donate blood to the American Red Cross. The drive runs from 12 p.m. - 5:45 p.m. in our gymnasium. Adults will be able to "give credit" towards a Lincoln student to count towards their GENEROSITY character tag. We hope that many of you will consider donating to model to our students how we can be generous without incorporating money...rather giving of ourselves. For info or an appointment, please go online to redcrossblood.org and either enter "zps" for our code or the zip code depending on what the screen prompts you to do.

Thanks for
your help!
