

## ***ARTS COLLABORATION with HOPE COLLEGE***

*This winter, 3<sup>rd</sup> grade students had an opportunity to learn about the artist, Wassily Kandinsky. Students were introduced to his work and creative vision through literature and various lessons. The students explored their own creativity and artistic process inspired by Kandinsky's work.*

*This learning experience will be brought to life through a collaboration with StrikeTime Dance Company from Hope College. The company has been creating a piece to celebrate the artist and his work. All 3<sup>rd</sup> grade students will be attending a live performance at the Knickerbocker Theater in downtown Holland during the school day on April 15. Funding for this outreach experience was made possible through Hope College Patrons of the Arts grant.*

*Zeeland art teachers selected artwork from each school. These talented ZPS artists will have their work on display at the theater throughout the performance weekend.*

*There will be two performances available for the community. Friday, April 15 at 7pm and Saturday, April 15 at 1:00 pm. Admission is FREE, donations are accepted. For tickets please call the Hope College Ticket Office at 616-395-7890 or [tickets@hope.edu](mailto:tickets@hope.edu). Reserve your seats for StrikeTime presents "Dance for Children."*
