Lincoln Art News

Hello Lincoln Family!

Spring has been a busy time in the art room!
Congratulations to all students who were represented in
the ZPS Spring art show! Also, we have been working
on our ceramic unit though out April and May. The
beautiful ceramic projects will come home in the next
week. Look out for them!

Next month, I will list some fun summer art
opportunities! Can you believe next month is the last
month of the school year? Wow that went quick!

Keep Creating!
