In-District Transfer 2017- 2018 School Year

Applications for transfer for the 2017-2018 school year will be accepted from February 1 through April 7. Applications received after April 7 will be reviewed at a later date.

Families who live within the Zeeland district who would like to apply for an in-district transfer to a building other than their assigned boundary school building are asked to fill out an in-district transfer form. This form is required for all new in-district transfer requests as well as in-district transfer students entering a transition year (entering grades 6 and 9) in the fall of 2017. Forms are available at each school office including the Administration office at 183 West Roosevelt. Applications are also available on the ZPS website at www.zps.org/AboutUs/Enrollment.

If you have any questions, please contact Mary Miilu at 748-3002.

TYPING CLUB

Third-Fifth grade students are practicing keyboarding each week in Technology class through a website called Typing Club. This will help them become more efficient and build good typing habits early, however it is only once a week for a few minutes. It would be a great benefit to your child to visit this website more often and you can help from home!

Students are used to visiting the site www.typingclub.com. They know how to sign in with their student gmail account. They may need a reminder to press the LOG IN button and NOT the white "GET STARTED" button. From there, they click the blue "GOOGLE" button and sign in with their student gmail account. Third graders may not have theirs memorized yet, but you may contact Mrs. Allison @ callison@zps.org if you need help with that.

This will start on the level where they have left off in class by pressing the blue button that says START. As a general rule, students know they need at least three stars to pass the level.

Thank you for your support!
