Student Medication

If you left medication for your child this school year, please remember to pick it up on the last day of school, June 9.

Any medication not picked up by this date will be disposed of.

Meds for 2017-2018

If your child will need medication at school for the 2017-2018 school year, please pick up a medical form from the office. Then if you visit your physician over the summer, the doctor can fill out the form authorizing ZPS personnel to dispense the medication.

Students who have medical plans on file for this past school year have already had their forms mailed to them.
