

Dear Kindergarten Families,

Zeeland will provide your child with many of the school supplies they need. Instead of an individual supply list, we have created a list of donations for our classroom. All supplies will be shared by all students. If you would like to donate any of these things to be used by the whole class, we would greatly appreciate it.

The one item we do recommend you purchase for your child is a set of headphones for them to use with their classroom iPad.

Thank you!
