BUS TAB IS NOW ON PARENT PORTAL

A new bus tab is available on the Infinite Campus parent portal. Clicking on the tab provides the most current bus stop details for the student. Please sign up for parent portal by filling out the form available in the office. You will also be able to see your child's report card, attendance and any behavior issues recorded.

ZPASS +

ZPass+ is a feature that gives parents notifications of where and when their child gets on or off the school bus. Parents can activate the account either online at www.zpassplus.com or by contacting Zonar Systems Customer Service at 1-877-843-3847 and sign up to receive instant messaging to a cell phone or an email account. Parents will need their child's Zpass card number to activate. A small monthly fee may apply.

Curriculum Night

September 18, 2017

Rotation 1 @ 5:30 - 6:00
Rotation 2 @ 6:05 - 6:35

Classroom teachers will be presenting curriculum, learning strategies, and work expectations for your child this school year. Teachers will do the presentation twice so that if you have children in multiple grades, you will be able to attend both for up to two students.

Students and siblings are welcome to participate in an "activity" station while the parents are in the class-

Please Return Census Forms

STUDENTS ARE NOT ALLOWED ON FIELD TRIPS OR TO PARTICIPATE IN THE FITNESS FRENZY WITHOUT THIS FORM!

These forms were handed out during the open house. If you have misplaced yours, please call the office for additional forms. We use the census verification form to update our records every year.

Paying For Lunch

You may make online deposits! Visit our Meal Magic deposit web site www.sendmoneytoschool.com and register your family. You just need an email address and your child's student ID number which can be obtained by emailing foodservice@zps.org. After approval, you will have instant access to your children's account histories and the ability to make credit or debit card deposits for a \$2.00 fee using a secure Internet connection. We do not accept credit card payments over the phone or at any building. They must be done online.

For your convenience, deposit envelopes are available in the school office for sending in cash or check deposits. You may use your own envelope, but it must contain the student name, school and amount you are depositing.

You are always welcome to join your child for lunch. Call us before 9 a.m. and we will order a school lunch for you OR you may bring a sack lunch! School lunches for adults cost \$3.80.

Friday, September 29
(Rain Date-October 13)

All Lincoln students will be participating in the Fitness Frenzy day at the stadium. Due to the busy schedule of the day we did not open lunch time to parents to join us this year. We will reserve the parent/child lunch for our annual Field Day in the spring. The only parents in attendance will be the classroom reps and our Lincoln PTO Board. The parent reps will be helping supervise and shuttle classes from station to station as well as coordinate the lunch times for students. If your child did not order a school lunch (an order form was sent home this week), they should bring their own disposable cold lunch with their name clearly printed on it. The parent reps will bring classroom lunches to the stadium in coolers.

Because we will be leaving promptly in the morning, please make sure your children are not tardy as they will miss out on a fun day! We have no way to get them to the stadium if they miss the bus! Also, students will not be released from the stadium, so please make an effort not to schedule appointments for this day. The Kindergarten classes will be coming back to school after lunch. We will be back to school by 3:20 for the shuttle bus students.

We will still be collecting pledges next Tuesday and Thursday! Please remember to turn in your envelopes if you have not already done so! Our goal is to try to raise at least \$40 in pledges per student!

These funds will be used for our field trips, student magazines, character education program, assemblies, young authors writing project, playground equipment, and other special learning projects.

Thank you for your support in this healthy fundraiser!
